

Carpenter Technology Announces Investor Presentation

September 6, 2012

Highlights Include Strategy, Market Opportunities, and Financial Targets

WYOMISSING, Pa.--(BUSINESS WIRE)--Sep. 6, 2012-- Carpenter Technology Corporation (NYSE:CRS) will host an Investor Presentation in New York City on Friday, September 7, 2012, from 9 a.m. to noon Eastern time. The presentation will be led by William A. Wulfsohn, president and chief executive officer, and include participation by other members of the senior executive team. The presentation will focus on Carpenter Technology's differentiated position in the marketplace and strategy to maximize opportunities over the rest of the decade. A question and answer session will be part of the morning event.

Live audio of the meeting and a slide presentation will be available on the Investor Relations page of the Company's corporate website at www.carttech.com. A replay of the meeting will be available after 2 p.m. Eastern time on Friday, September 7.
